Dear Sir,

This is as per our ongoing discussion KFA a list of documents which are required to be submitted for availing dedicated Internet Leased Line. Minimum commitment for hiring this service would be 3 (Three) years.

As revised offer was a discounted offer hence, demand note will be send after receipt of below documents & forms

The procedure for provisioning will be as follows:

Customer has to fill Customer Application Form (CAF) and attach the following documents:

Self Attested copy of Address Proof of location.

Self Attested copy of Company's PAN card.

Self Attested copy of Memorandum of Association and Articles of Association.

Authorization Letter regarding Authorization to the person who is signing the CAFs.

Self Attested copy of ID proof of signing authority.

After submission of forms along with documents, a demand note will be generated

After successful payment against the demand note, work order will be generated.

Once work order is issued, it will take us a maximum of 3-4 weeks time for provisioning of the internet leased line.

All the letters will be required on your company's letter head, duly stamped and signed by the signing authority.

I hope this information will help you.

In case of any query, please do feel free to contact me anytime.

Assuring you of best attention and services from our side,

Cheque shall be drawn in favour of "Accounts Officer, BSNL,Pune"

CERTIFICATE FOR SECURED USE OF INTEREST LEASED LINE CUSTOMERS

(To be given by the Customers)

To,
GM/DGM
BSNL, Pune

Sub:- Secured Use of Internet Leased Line.

1) I (Customer / Organization) VASANTDADA SUGAR INSTITUTE have taken an Internet Leased line from BSNL on date 08 / 09 / 2020 at address MANJARI (BK), TAL - HAVELI, DIST - PUNE 412307

 - c) Upgrade its network capacity bandwidth, speed and add new nodes and reconfigure its network as per need.
- 2) BSNL may revise tariff for its internet services and its value added services from time to time to on its sole discretion.
- 3) Value added Telecom Services providers shall get necessary permission/ license from Dy. Director General(CS), Department of Telecommunication, Sanchar Bhavan, 20,Ashoka Road, New Delhi-110001 (Tel: 23326255/23032855 -Fax:23327656).
- 4) In case of as ISP, all terms and conditions of ISP license shall be applicable
- 5) "I/we understand that thought only three months fixed charges have been taken in advance but the lock in period of the connection is for 18 months from the date of provisioning of the service. In case of pre-mature surrender all the equipments installed at customer's premises will be returned in good condition. In addition, an amount of Rs.6000/- per month plus Taxes for the BSNL Easycom Products for each unused month will be payable by me/us. In case of non- payments, BSNL will be free to resort to any action including legal one as deemed fit by them for recovery of the amount".
- 6) The customer understands and acknowledges that
 - a) Only Telecom Engineering Centre (TEC), New Delhi approved interface equipment would be used for accessing internet services.
 - b) Necessary License Fee is payable to BSNL for connection Modem/other interface equipments etc. as applicable. The PSTN customer is required to complete necessary formalities with local BSNL office.
 - c) Interactive voice and fac messaging shall not be permitted on BSNL Internet Services network, as such selling/promoting Internet Telephone/Fax etc. is prohibited.
 - d) Sending unsolicited messaging via BSNL Internet Services is unlawful.
 - e) Probing for means of gaining unauthorized access to computer or networks is not permitted.
 - f) Forgery of any identification or obscuring of hostnames, username, IP addresses, or any message header information in any data, is not permitted.
 - g) Sending, harassing or threatening transmissions over BSNL leased Internet services is not permitted.
 - h) Internet contains unedited materials, some of which may sexually explicit or offensive and provocative for which BSNL has no control. Any objectionable or obscene messages or communications, which are inconsistent with the established laws of the country, are not created, stored downloaded, accessed, transmitted or re-transmitted by him or any other person using his facilities.
 - i) The customer is required to fully comply with the provisions of the Indian Telegraph Act, 1885 India Telegraph – Rules made there under the information Technology Act – 2000 and any amendment or replacement made thereto from time to time.
 - j) Customer assumes total responsibility and risk for use of the Internet Services.
- 7) Payments of Bills – It would be the responsibility of subscriber to make advance payment of BSNL leased Internet Services. BSNL would disconnect the service in case of non-receipt of advance payment without giving any notice to the subscriber.
- 8) Upon a breach of any understanding, the BSNL shall have the right to terminate this agreement without any notice. The customer violating any of understanding does so at their own risk.

Form to filled up by the leased Line Customers of BSNL Internet Nodes

(Information provided by the customer in this form would be kept confidential)

- 1) Name of the customer:- VASANTDADA SUGAR INSTITUTE
- 2) Customer Network Name (See Note 1):- BSNL
- 3) Brief Description of the organization (See Note 2):- EDUCATION & AGRICULTURE ACTIVITIES
- 4) If an ISP category be specified ("A", "B" or "C"):-
- 5) Brief Description of the network (See Note 3):- BSNL
- 6) Bandwidth of the leased line :- 20Mbps
- 7) Details of Network Topology (Specifying the router model number, number of serial and asynchronous port of the router and other networking devices the customer plans to place on the network and their interconnectivity) (Please attach a network diagram also showing the connectivity):-
- 8) Details of Hardware and software (of Hardware and software platform):-
- 9) Please provide an accurate number of host addresses required immediately (i.e. within one month) Be sure to include all devices that will need global Internet connectivity including the internal infrastructure such as routers, terminal, servers, printers etc.
- 10) Please provide an accurate estimate of the additional number of host addresses required in the coming six months :-
- 11) Please provide an accurate estimate of the additional number of host addresses planned after one year :-
- 12) Please provide an accurate estimate of the additional number of host addresses planned after two year :-
- 13) Estimate number of subnets planned initially :-
- 14) Estimate number of subnets planned after one year :-
- 15) Estimate number of subnets planned after two year :-
- 16) Network Administrator and contact details :-
- 17) Additional Comments (See Note 4):-

For Reliance Jio Infocomm Limited (RJIL)

Name: Balu Kotwal

Date: 01-10-21

Kindly note :

We would like to recommend best practices for safe guarding Jio installed devices/ your devices / network from any vulnerabilities

- Resetting the factory set credentials and Setting up of complex passwords
- Blocking of SSH / TELNET from public internet on these devices
- Regular IT security audits and ensuring devices / routers are patched to latest software versions / patched and hardened to the recommendations.
- Stable & Regulated power supply with backup for un interrupted services & to safe guard the installed Jio devices in customer premise.

Declaration/Undertaking from applicant/Customer/Company

I/We hereby declare and confirm that

1. The Company has taken telecom services (internet connectivity and/or voice connectivity) for its internal purpose and is not performing any activities defined under the scope of Other Service Provider (OSP) / Internet Service Provider (ISP) / Telemarketer (TM). Therefore, the Company is not required to be registered with the Department of Telecommunications (DOT)/ Telecom Regulatory Authority of India (TRAI)/ Telecom Service Providers (TSPs) either as OSP / ISP / TM. The Company undertakes that in the event it is performing any activities defined under the scope of OSP / ISP / TM, it will get registered itself with the designated authorities and immediately provide all the required registration / license details to Reliance Jio Infocomm Limited (RJIL), as prescribed in the above inspection report. RJIL reserves the rights to review connectivity provided to the Company and inspect the network of the Company, in case of such intimation.
2. The Company undertakes to ensure no misuse of ILL connectivity terminating on its premises and undertakes to deploy logical partitioning to ensure separate flow of Data and Voice services and for preventing the flow of traffic between public and private network operated through single EPABX.
3. The Company undertakes to ensure that, at all times, there is no misuse/unauthorized use of the voice/data connectivity provided to it in any manner including but not limited to bypass of National and International Long Distance Traffic.

Reliance Jio Infocomm Limited

Reliance Corporate Park | Rajbhavan road, Somajiguda, Hyderabad – 500082 | www.jio.com

DIGITAL
LIFE

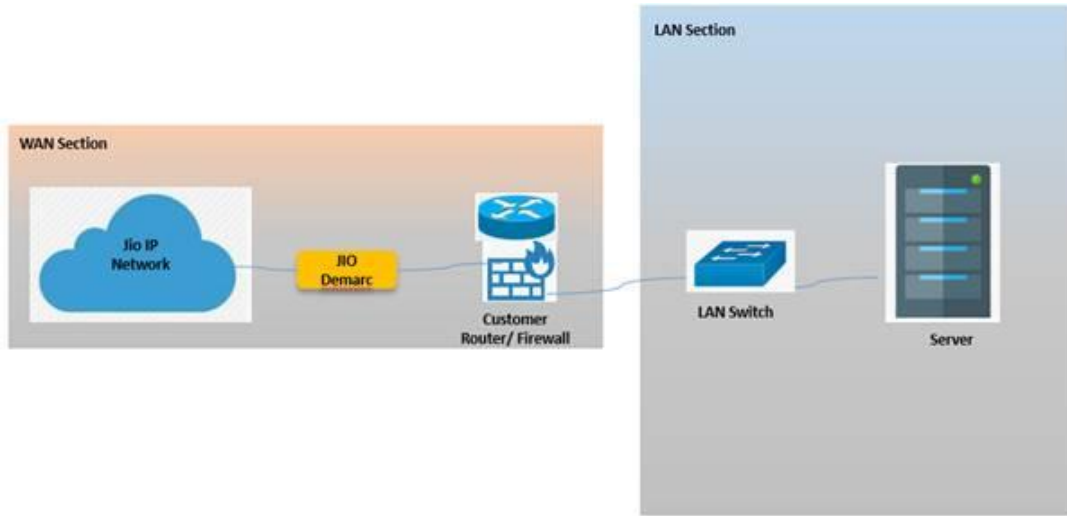

4. The Company is using the connection as per attached network diagram for bonafide usage and for the purpose declared by it at the time of subscribing to these connections and in case of data connections, these connections are not interconnected with any PSTN, PLMN, GMPSC network. The Company understands that RJIL can verify and approve its network diagram only in case the Company has shared its OSP details to RJIL, otherwise RJIL has no obligations whatsoever in this regard.
5. The Company agrees to permit the authorized representatives of RJIL and of the Licensor (i.e. Government of India acting through any of its agency/ies) as well as security agencies to inspect, at any time and from time to time, with or without prior notice as they may deem fit, our network interface and EPABX equipment.
6. The Company shall be exclusively responsible for any breach of any conditions included in this Undertaking and/or any act/omission pertaining to EPABX/Public or Private Network Operations, which is directly attributable to it and the Company will bear all costs and consequences arising out of such breach/act/omission.
7. The company has intimated to the Licensor (Copy to respective TERM Cell) in a quarterly report the details of ISP nodes or points of presence with their locations and number of broadband/leased/dialup subscriber. **(only in case of ISP customer)**
8. The Company has given to the Licensor one month prior notice (Copy to respective term Cell) as required as per terms and condition of ISP License agreement in case new nodes to be installed. **(only in case of ISP customer)**

Terms & Conditions :

1. Delivery: Immediate

2. Payment: After Delivery

3. Taxes: GST Unregistered

4. PURCHASE ORDER

The supplier agrees to provide the goods and the purchaser agrees to purchase the goods in accordance with the purchase order and these terms and conditions.

5. PRECEDENCE

If there is any ambiguity or inconsistency between the documents comprising the contract, the order of precedence to the extent of the ambiguity or inconsistency shall be: An executed contract between the parties in relation to the purchase; the purchase order; and these purchase order terms and conditions.

6. AMENDMENTS

The parties agree that this order, including the terms and conditions on the face and reverse side hereof together with any documents attached hereto or incorporated herein by reference, contains the complete and final contract between purchaser and supplier; that no agreement or understanding to modify this order shall be binding upon purchaser unless in writing by purchaser's authorized representative.

7. CHANGES

a) Purchaser reserves the right at any time to make written changes in any one or more of the following: (a) place of delivery; (b) time or frequency of delivery; (c) manner of delivery.

b) Any claim by Supplier for adjustment under this Article must be approved by purchaser in writing before supplier proceeds with such change.
