

## Papers published by VSI scientists & technologists(year 1999-00)

- R.S.Hapase & J.M.Repale - Genetic Divergence in Sugarcane - Proceedings of the 48th DSTA Session, Pune, 1999.
- R.S.Hapase & J.M.Repale - Variability, Correlation and Path Analysis - Proceedings of the 61st Session of STAI, New Delhi, 1999.
- S.B.Jadhav & A.S.Patil - Ideal Cane Management (in Marathi language) - State Level Sugar Conference, VSI, Pune, 1999.
- Snehal joshi, J.M.Repale & S.B.Jadhav - Performance of Promising Genotypes of Sugarcane - Proceedings of the 61st Session of STAI, New Delhi, 1999.
- N.M.Pant - Commercialisation of Sugarcane Micropropagation - Proceedings of the National Seminar on Biotechnology, VSI, Pune, 2000.
- D.B.Phonde - Sulphur Nutrient Management in Sugarcane - Proceedings of the Soil Fertility Management Seminar, VSI, Pune, 2000.
- A.S.Patil, S.B.jadhav & R.G.Yadav - Integrated Pest Management in Sugarcane - Proceedings of the 48th DSTA Session, Pune 1999.
- A.S.Patil & S.B.Jadhav - Biological Control of Major Sugarcane Pests - Proceedings of the National Seminar on Biotechnology, VSI, Pune, 2000.
- V.D.Shinde, S.D.Magar, A.S.Patil & S.B.Jadhav - Collection and Identification of Predatory Spiders in Sugarcane Ecosystem & Biology of Three Species - The 87th Session of The Indian Science Congress, Pune, 2000.
- K.R.Patil & A.S.Patil - Ideal Sugar Mill Management\* (in Marathi language) - State Level Sugar Conference, VSI, Pune, 1999.
- U.S.Manjul & A.N.Salunkhe - Application of Information Technology to Agriculture - *Kisanshakti*, Kolhapur, 2000.
- HemaSingh & A.S.Patil - Biochemical Changes in Sugarcane due to Infection by *Ceratocystis paradoxa* - International, November, 1999.
- A.S.Patil - Biofertilizers in Soil Fertility Management - Proceedings of the 17th Cane Development Workshop, VSI, Pune.
- Narendra Kumar, B.H.Pawar & A.S.Patil - *In vitro* Chemical Control of *Curvularia flavata*: Incidence of Leaf Spot Disease in Sugarcane - Proceedings of the 52nd IPS Workshop, New Delhi, 1999.
- A.S.Deshmukh, R.V.Pawar, S.S.Katake & S.B. Jadhav - Role of Fertigation in Improving Sugarcane Productivity - International Conference on Irrigation Systems, Jalgaon, 2000.
- A.S.Salunke & U.S.Manjul - Beneficial Seasonal Sugarcane Plantations\* (in Marathi language) - *Kisanshakti*, Kolhapur, 2000.
- P.P.Shinde & S.B.Jadhav - Efficient Water Management with Microirrigation System for Sugarcane - International Conference on Irrigation Systems, Jalgaon, 2000.
- V.B.Pawar - Pol % Cane: Agromical & Technological - Proceedings of the 48th DSTA Session, Pune, 1999.
- D.B.Jambhale - Current Situation of Sugar Mills\* (in Marathi language) - Proceedings of the 48th DSTA Session, Pune, 1999.
- D.B.Jambhale - Technical Performance of Sugar Factories in Maharashtra, Season 1998-99 - Proceedings of the 48th DSTA Session, Pune, 1999.
- M.N.Kotasthane - Practical Guide Lines To Bring Down Final Molasses Loss - Proceedings of SISSTA's Annual Convention, 1999, 253-255.
- M.N.Kotasthane - Excess Cane and Its Effect on Efficiency - Proceedings of the 48th DSTA Session, Pune, 1999.
- M.N.Kotasthane - Technical Efficiency of Sugar Factories of Maharashtra during 1998-99 Season\* (in Marathi language) - *SakharDiary*, 2000, p.16.
- M.N.Kotasthane - Future of Sugar Factories in India - *Sugar India*, 1999-2000, p.88.
- M.N.Kotasthane - Recovery of Factories in Maharashtra\* (in Marathi language) - *ShetiBhati*, Nov./Dec. 1999.
- M.N.Kotasthane - Sugar Technology at Plant Level - Seminar on Sickness of Sugar Factories,

Vaikunth Mehta Co-operative Institute, Pune, Aug. 1999.

- S.D.Borude & A.P.Lad - Mill Hydraulic Drive - Proceedings of the 48th Annual Session, Pune, 1999.
- K.R.Patil - Vibration in Rotating Machines in Sugar Industry - Proceedings of the 61 st Session of STAI, New Delhi, 1999.
- S.A.Kate, M.N.Awatade & A.D.Shaligram - Mill Power Measuring Device - Proceedings of the 61 st Session of STAI, New Delhi, 1999.
- S.D.Borude & A.P.Lad - Energy Audit of Mill Hydraulic Drive: Case Studies - Proceedings of the 61 st Session of STAI, New Delhi, 1999.
- S.A.Kate, M.N.Awatade & A.D.Shaligram - Mill Power Measuring Device - Proceedings of the 48th DSTA Session, Pune, 1999.
- S.B.Pendse, V.G.Chikhlikar & B.D.Sidnale - Comparison of Technical Performance of Sugar Factories - State Level Sugar Conference, VSI, Pune, 1999.
- K.R.Patil, S.D.Borude, A.P.Lad & B.D.Sidnale - Ideal Sugar Factory - State Level Sugar Conference, VSI, Pune, 1999.
- S.A.Kate & M.N.Awatade - Mill Power Measuring Device - "Sensors-7" Workshop, Pune University, Pune
- B.B.Gunjaj - Waste Generation in the Distillery Industry and Its Treatment and Disposal - Seminar on Environmental Audit & Reduction in Volume of Distillery Effluent (FICCI, AOEF & AIDA), New Delhi, May 1999.
- B.B.Gunjaj - Controlling Bacterial Contamination in Molasses based Distilleries - Alcovita (News Letter for Alcohol Industry) Vol.1 June, 1999.
- D.B.Sapkal & B.B.Gunjaj - Aspects related Minimising Waste Water in Sugar Industry - Proceedings of the 48th DSTA Session, 1999.
- D.S.Nimbalkar, B.B.Gunjaj, A.A.Saswadkar & I.P.Mujawar - Two-phase Anaerobic Digestion of Continuous Fermentation based Distillery Spentwash - Proceedings of the 48th DSTA Session 1999.
- B.B.Gunjaj, D.S.Nimbalkar & D.B. Sapkal - Energy Generation from Sugar Factory Pressmud Cake - The 87th Session of Indian Science Congress, Pune, 2000.
- J.D.Mane, D.B.Jambhale, A.V.Yewale & S.P.Phadnis - Factory-scale Trials for the Reduction in Colour of Plantation White Sugar using Hydrogen Peroxide - Indian Sugar XLIX(6)(69)(1999), 397-404.
- J.D.Mane, D.L.Kumbhar, A.D. Kulkarni & S.P.Phadnis - Effective Decolourisation of Clarified Cane Juice using Chemically Modified Bagasse: A Lab Study - Proceedings of the 61 st Session of STAI, New Delhi, 1999.
- J.D.Mane, S.P.Pachpute & S.P.Phadnis - Use of Hydrogen Peroxide in Plantation White Sugar - Sugar Journal (U.S.A.) 61,(11),(1999), 29-33.
- P.U.Patil & V.S.Dhamankar - Colourants in Molasses Reduce Ethanol Productivity - International Sugar Journal (UK) 101,(1207)( 1999), 375-376.
- V.S.Dhamankar - A Novel Method of Colour Removal from the Post-methanation Distillery Effluents - Proceedings of the 61 st Session of STAI, New Delhi, 1999.
- P.U.Patil & V.S. Dhamankar - Performance of Biomethnation Process for the Reduction of Pollution Load in Spentwash at Different Distilleries - Proceedings of the 61st Session of STAI, New Delhi, 1999.
- P.U.Patil, B.K.Kapadnis & V.S.Dhamankar - Biological Bleaching of Melanoidins - Proceedings of the 68th Meeting of the Society of Biological Chemists and Seminar on Current Trends in Biology; 1999,1-13.
