

## Papers published by VSI scientists & technologists(year 2003-04)

- Snehal Joshi, J.M. Repale and R. S. Hapse, Correlation of Bio-chemical parameters with yield and quality in sugarcane genotypes, Abstracts: 2nd International Congress of Plant Physiology, Jan. 8-12, 2003. P.: S-13-P29 (574)
- R S. Hapse, J. M. Repale and D.S. Pawar, Sugarcane Varietal Scenario In Maharashtra, A lead paper published in one-day seminar conducted by STAI at Lonavala, Maharashtra, 30th June 2003
- M.W. Pawar, S.S. Joshi and V.T Amodkar, Effect of foliar application of phosphorus and micronutrient on enzyme activities and juice quality in sugarcane, Sugar Technology, 2003 Vol. 5 (3), 161-165
- B.J. Takalkar and A.N. Salunkhe, Trends in Area, Production and productivity in Maharashtra, Annual convention of ST AI held at Bhuvaneshwar in August 2003
- Patil A.S., Magar S.B. and Shinde V. D., Feeding potential of a predator, *Conobathra aphidivora* Meyr. (Lepidoptera: Pyralidae) on *Ceratovacuna lanigera* Zehn. in sugarcane, 5th ISSCT Entomology workshop, Jamaica, West Indies on 23 to 29 Nov. 2003.(Submitted)
- Patil A.S., White woolly sugarcane aphid, *Ceratovacuna lanigera*: : A new pest of sugarcane in Maharashtra, A seminar on "Cost effective sugarcane production technology for the survival of sugar industry during 2003-04. Organized by Deccan Sugar Technologists Association at Pune, 25th April 2003. : Pp 31-38
- Shinde V.D., Magar S.B., Patil A.S. and Deshmukh M. B., Evaluation of insecticides for the control of white woolly sugarcane aphid, *Ceratovacuna lanigera* Zehn., 52nd Annual Convention of Deccan Sugar Technologists Association, Pune, 2003-04. pp: 119-126
- Magar S.B., Shinde V.D., Patil A.S. and Deshmukh M.B., Efficacy of soil application and dusting of insecticides for the control of white woolly sugarcane aphid, 52nd Annual Convention of Deccan Sugar Technologists Association, Pune, 2003- 04. T Pp. 132-136
- A.S. Patil, Spindle rot disease of sugarcane, Bacterial disease of sugarcane" to be edited by G.P. Rao et.al (accepted for publication) 2003
- Y.S. Nerkar, Sugarcane Varietal Planning in Maharashtra and its effect on improving sugar recovery and production in the State, STAI, Lonavala, June 28, 2003
- Y.S. Nerkar, Molecular Breeding for increased sucrose content in sugarcane, International Seminar on, Sugarcane Genomics & Genetic Transformation held at Hotel Le Meridien, Pune, August 28-29, 2003
- Y.S. Nerkar, Present Scenario and Thrust Areas for increasing Sugarcane and Sugar Productivity, Seminar on, Problems and Prospects of Sugarcane Cultivation in Goa at ICAR, Goa September 19, 2003
- Y.S. Nerkar, Sugar Production Scenario in India and the World, National Seminar on, Use of appropriate varieties and management practices for improving recovery in sugarcane, at Sugarcane Breeding Institute, Coimbatore, 19-20 January 2004
- Y.S. Nerkar, Improvement in Sugar Recovery and Production in Maharashtra as a Function of Sugarcane Varietal Planning, National Seminar on, Use of appropriate varieties and management practices for improving recovery in sugarcane, at Sugarcane Breeding Institute, Coimbatore 19-20 January 2004
- Y.S. Nerkar, D.B. Phonde and A.S. Deshmukh, Sustainable Sugarcane Production in Maharashtra, World Wide Fund for Nature-India, Aurangabad February 23, 2004
- S.P. Pachpute, R.V. Dani and D.B. Jambhale, Importing of raw sugar and its processing, STAI Seminar, March 2004
- R.V. Dani and S.P. Pachpute, Process of refined sugar production, STAI Seminar, March 2004
- M.B. Londhe, S.V. Patil and K.B. Kale, Alternative raw materials for ethanol production vis-a-vis sugar quality improvement, 52nd Annual Convention, DSTA, September 2003
- S.P. Takle, L.S. Dalvi, M.B. Londhe and M.K. Dongre, Use of colour precipitant in plantation white sugar manufacture Part 1 - Effect of color precipitants on colouring impurities, DSTA 2003
- M.B. Londhe, S.P. Pachpute, V.P. Sidanale and V.R. Kaledhonkar, Production of 50 IU sugar with separation of low grade massecuite melt, DSTA 2003

- K.B. Kale, M.B. Londhe, T.S. Ingale and R.N. Bhosale, Assessment of two roller mill performance at Sanjivani (Takali) SSK. Ltd and Dr. Baburao Bapuji Tanpure SSK Ltd, Rahuri, DSTA 2003
- S.A. Kate and M.N. Awatade, Case study of Entrainment Detection and Monitoring, 65th Annual Convention, STAI, August 2003
- T.S. Ingle, K.B. Kale, M.B. Londhe and R.N. Bhosale, Assessment of Two Roller mill performance at Sanjivani and Rahuri SSK, 52nd Annual Convention DSTA, September 2003
- V.P. Sidanale, K.B. Kale, S.Srinivas and S.D. Katale, Production of low colour plantation white sugar: A case study - Hutatma Jayantrao Patil SSK Ltd., 52nd Annual Convention DSTA, September 2003
- K.R. Patil, Effect of Electrical Harmonics : A case study with analysis, 52nd Annual Convention DSTA, September 2003
- A.J. Kulkarni, S.V. Patil, V.K. Jayaraman and B.D. Kulkarni, Memory Based Local Learning: Application to Process Engineering Problems, *Int. J. Chern. Reactor Engg.*, 2003, Vol. 1. A23
- S.P. Takle and S.V. Patil, Capillary gas chromatographic analysis of a few Indian Whiskies and Grain Alcohol, Seminar on "Quality Standards of Whiskies" organized by Bureau of Indian Standards, New Delhi, 2003
- D.A. Patil, B.B. Gunjal, M.L. Kadam, R.V. Godge and S.B. Manepatil, Performance of sweet sorghum crop for ethanol, Proceedings DSTA Annual Convention, 2003
- D.B. Sapkal, B.B. Gunjal, I.K. Deshmukh and A.B. Kadam, Achieving zero water requirement for sugar factory - A case study, Proceedings DSTA Annual Convention, 2003
- B.B. Gunjal, M.L. Kadam, Gawand R.B. and C.N. Ahire, Production of ethanol from sugarcane, Proceedings DSTA Annual Convention, 2003
- B.B. Gunjal, D.B. Sapkal and D.S. Nimbalkar, Environmental Management in Sugar and Distillery Industry in Maharashtra, State workshop on Pollution problems in Sugar and Distillery Industry organized by Pollution Control Board, Mumbai on 27th May 2003.
- J.D. Mane, V.M. Bhandari, D.L. Kumbhar, S.C Barge and S. P. Phadnis, Studies in effective utilisation of biomass: Chemical mechanism of modifications of bagasse and mechanism of colour removal, *International Sugar Journal*; 105 (1257), 2003; 412-419
- S. M. Chavan and S. D. Modak, Production of sulphur- free sugar (in Marathi), *Daily Sakal (Pune Edn)*; Dec. 03, 2003
- V S. Dhamankar, Precision analysis using enzymatic and immunological techniques to elevate the, *Co-operative Sugar*; 34 (7); 2003; quality of sugar and co-products. 551-55
- S.A. Kate, T.K. Balwe M.N. Awatade, V.P. Sidnale and C.N. Ahire, A case study of entrainment detecting and monitoring device, at Annual convention of Deccan Sugar Technologist's Association, held at Kochi in Sept 2003.
- R.B. Chikhale, A.S. Tuwar and D.N.Gare, Implementation of an effective imbibition water flow control system, Proceedings of the 52nd DSTA Session, Pune, 2003
